A Note from Tisha

Hi! My name is Tisha Perry. I'm the new Administrator here at Timber Creek Village. First and foremost, I want to thank you all for the opportunity. It has been a wonderful journey thus far.

We have been enjoying numerous new activities in the community, and I look forward to making many more memories with each and every one of you. A little bit about myself - I grew up here in Lincoln and still have family here and in Mt. Pulaski. I love small communities, and I'm very much a people person. I now live in Mt. Pulaski with my family. I have eight children and a granddaughter. So if that has taught me anything, it's taught me patience and understanding. With that being said, I'm always on call or a buzz away if anyone needs assistance with anything. Just seeing each and every one of you smile makes my day that much brighter.
