A Note from Debbie

It is such an exciting time for Timber Creek Village Assisted Living in Litchfield! With the official opening of our brand new facility, Timber Creek Village gives our senior population an excellent choice in retirement living within the quaint city of Litchfield and surrounding areas. Style, comfort, and a home-like environment are attributes Timber Creek Village is proud to offer. Well-kept grounds, a beautifully decorated interior, and spacious living units and common areas are a few features that create a stimulating, yet relaxing environment with home-like charm. In addition, we have a caring and dedicated staff that is eager to develop personal relationships with our residents and to provide personal services to meet our residents' emotional, social, and physical well-being. It is an honor and a privilege to be a team player and the Administrator of Timber Creek Village in Litchfield.

Employee of the Month

Debbie Phillips

Tell us about yourself: I am married to Pastor Dr. Robert Phillips, and we have five children: Elizabeth, Holly, Becca, Abby, and Wade. We have eight grandchildren: Haydin, Jacob 'Jake', Emma Grace, Amelia, Ezekiel, Israel 'Izzy', Obadiah, and Jude. My husband and I live in Moweaqua, IL, where we have our home and together pastor Faith Outreach Center Church. Our greatest passion is serving our Lord Jesus Christ and preaching the Word of God, but I am thoroughly excited for the door that God has opened for me to be the Administrator of Timber Creek Village.

What are your hobbies: I feel as though I work hard at everything I put my hands to but do enjoy the beauty that is all around me. I find myself thoroughly enjoying people, my flower garden, my vegetable garden, gazing upon our fresh-cut lawn, bonfires, traveling, but mainly spending time with my husband, children, grandchildren, and my church family... especially around a table of delicious food with great conversation and laughter as the main dish!

What do you like most about working at Timber Creek Village: My time here at Timber Creek Village has been a short journey so far, but I am a blessed woman to be a part of this community. I am quite pleased with the staff we have and the residents we currently have and will have soon. Each resident will bring some type of flavor to our community: some sweet, some spicy, but all will be savory! I do look out upon the dining room area frequently and envision a full community who together will travel this journey together and consider one another as family!
