A Note from Debbie

I recently asked my husband, "Where has this year gone?" He replied, "One day at a time." Although this is absolutely true, I still have a sense I have missed out on some things at some point throughout the year. It's not until I reflect on the past year that I realize it has, indeed, been a very busy year. However, I have accomplished much, celebrated all the important events, and created great memories that make me assured my year has been full to overflowing. It does not take me long to relive those precious memories of this past year and understand that I am a blessed woman. After all, as the saying goes, "Time flies when you are having fun."

I encourage you, in this Autumn season, to not let the season pass you by without taking notice of the crisp temperatures and the trees that are clothed in leaves of a myriad of shapes and sizes of golds, reds, and browns and how they make the most splendid mosaic that is unique in all the world. I know I will be savoring this event as those leaves come down like a multi-colored rain.

Employee of the Month

Kim Doolin

Tell us about yourself: I was born and raised in Illinois. I lived on a farm for many years where my father raised me with good work ethic. I am married to Tim, who spoils me, and am a mother of two children and grandmother of four grandchildren. I currently work at Timber Creek Village as a Nursing Assistant.

What are your hobbies: Just a few of my passions are playing with our two dogs: Libby and Katy, refinishing furniture, and maintaining our landscape at home. I also enjoy sewing, crafts, and writing. In the future, I desire to travel abroad again. I am a missionary and have been involved with areas here in the U.S. and Sri Lanka. I also plan to be a speaker and encourager to women and teach the art of sewing.

What do you like most about working at Timber Creek Village: Working at Timber Creek Village is a joy. It is a beautiful facility, and the staff is energetic and helpful. Teamwork is a positive... it shows through the care and fellowship with the residents.

Resident of the Month

Betty M. Monke

Tell us about yourself: I married young to a farmer, Russell Monke, and together we had three children: Martin, Jamie Jo, and Richard. I came to Timber Creek Village on September 4th, 2018.

What are your hobbies: My passion is to read, and in times past, I used to enjoy my card club.

What do you like most about living at Timber Creek Village: I love being around people and enjoy the staff here at Timber Creek Village. Mealtime is a most enjoyable time when everyone is chatting around the table. I intend to grow old gracefully around new friends and a new home here at Timber Creek Village.
