## *A Note from Tisha*

As the leaves fall and the weather becomes colder outside, it also brings the flu season. So far, we have been very fortunate not to have many cases of this yet. However, we do ask that if you are experiencing flu-like symptoms you wait to come see your loved ones. We do have a flu station set up, so we ask that if you do visit, please wear a mask and wash your hands often. My goal this year is to try and prevent as much illness as possible.

We have many events planned for November that we are excited about. We will have a soft reopening of our facility on November 5th from 5:00 - 7:00pm with Brad Darr playing from 5:00 - 6:00pm. We will be introducing our new Assistant Administrator, Christopher Hernandez. With him and I paired up as a team, I really feel this will only make the facility that much better. On November 14th, we will be having Community BINGO from 2:00 - 3:00pm. November 15th will be our annual Thanksgiving Dinner at noon in the dining hall. On November 16th and 17th, we will hold our annual craft show. We will be open for business Friday from 9:00 - 6:00pm and Saturday from 9:00 - 2:00pm. If that wasn't enough excitement for you, then come join in on the fun with Elvis on November 20th at 2:00pm! As we move into the busy time of year, I want to thank all of you who have embraced all the positive changes. As we continue to build our team, we also strive to improve on many levels. Thank you again for all of your kind words. Without the residents and their amazing families, we wouldn't be where we are today, so thank you!
