

# Lincoln

## *A Note from Tisha*

It's that time of year again when one year goes out and another comes in. As we look back on the past year, it was filled with great memories. We have grown so much within the facility, from staff, residents, and just overall. We have a lot to be thankful for this year and the year to come. With the flu season upon us, I request once more that we continue to wash our hands and keep our mouths covered when coughing. I want to try and keep everyone healthy moving through this busy time of the year. Also, with the weather changing and it definitely starting to feel like winter, I do ask that you bundle up. We will work hard to try and ensure that the sidewalks and parking lot stay as clear as possible when it snows. With this in mind, also try to ensure walking safely to your vehicles. It may get slick out there, and if you need assistance in any way, please ask. Christopher and I are just one phone call or buzz away with any need you may have. We have a lot of things planned this December that we hope you and your families will enjoy. We have schools coming in and performing, live entertainment, our annual resident meal and party with the families, and many more fun activities. We look forward to truly making the end of this year one to remember. From the bottom of our hearts, we wish you all a safe and happy holiday season!

## *Glen "Pee-Wee" Helton*

**Tell us about yourself:** I was born at Deaconess Hospital in Lincoln, IL, and I have four siblings. I raised my four children (three boys and one girl). I served in the Air Force for two years as an enlisted soldier and was known as a pole jockey and was stationed in Ohio. My favorite color is red. Back in the day, you could find me driving around in a DeSoto automobile.

**What are your hobbies:** One of my favorite things to do is maintenance. I really enjoy working with my hands, and I also have quite the green thumb. I take care of my plants and have nursed one back to a healthy sized plant.

**Do you have any interesting stories:** I spent between 10 to 12 years in Mt. Pulaski. During that time, I was on the town council for four years. I didn't even know I was running for a spot on the council until one day I found papers with my name as a candidate. I later found out that a friend and his children were handing out fliers for my election.

If and when you see Glen walking around the community, you may want to address him as "Pee-Wee," which is a favorite nickname of his and the name he commonly responds to. Please welcome Pee-Wee to the Timber Creek Village community, and enjoy a honey bun with him, one of his favorite treats.

## *December Birthdays*

December 4th - Kenneth Brooker

December 22nd - Lena Newby

December 10th - Barbara Leesman

December 29th - Lydia Lemme

### **Leave Us a Review!**

If you are satisfied with the care you or your loved one receives at Timber Creek Village, please leave us a review on one of the many social platforms available!
