December will be a lively time with lots of activities, good food, and holiday spirit. One of the real joys of this holiday season, however, is the opportunity to wish all of you health, happiness, warmth, comfort, and good cheer!

**Tell us about yourself:** I am originally from Germany and moved to upstate New York in 1986. I then lived in Kentucky for two years and moved to Columbia Falls last year. I am married and have four adult children who live in four different states. I am one of the cooks here at Timber Creek Village. I have worked as a cook for a long time, but have also worked as a personal trainer.

**What are your hobbies:** A couple of my favorite places to kayak are Hungry Horse Reservoir and Bull Lake. I also like to hike and swim. Another fun activity we do once a month is game night with friends.

**What do you like most about working at Timber Creek Village:** I like seeing the residents smile and enjoy the meals I make. I like to make homemade meals, and I like to bake, especially cookies. I try to put love in everything I cook. I also like to visit with the residents when I have time.

## *Lanika Mount*

**Tell us about yourself:** I am married and have four children. I was in the Army for three and a half years. I am a native Montanan and grew up in Billings and moved to Columbia Falls five years ago. I love the mountains and scenery here. I am a cook at Timber Creek Village.

**What are your hobbies:** I am an avid hiker and have hiked all over Montana, but I think Glacier Park is the most beautiful. I also like boating and swimming.

**What do you like most about working at Timber Creek Village:** I have always worked with seniors. I like how homey and friendly it is here at Timber Creek Village. The decor, the fireplace, the dining hall, and the total atmosphere is such a welcoming place.
